

Chilkoot Trail Village™ - a Northern Iconic Experience

Chilkoot Trail Village™ is an adventure, an experience that will stay with you forever.

It's an easy and safe way to experience pristine mountain wilderness and the Chilkoot Trail. The only danger is that you never want to leave.

Three key values of the Chilkoot Trail Village™ at Lake Bennett.

1. Experience nature and wilderness

Guides of Parks Canada and Nature Tours of Yukon will tell you all about wildlife and plants found in this unique mountain wilderness. Explore the area and walk in the footsteps of the Klondike gold seekers along the Chilkoot Trail.

2. Be inspired by First Nation

Experience traditional First Nations Culture. You can participate in programs and workshops hosted by members of Carcross Tagish First Nation

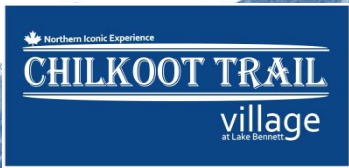

3. Make discoveries of gold rush history

Chilkoot Trail Village™ is located at historic Bennett City within the Chilkoot Trail National Historic Site. Discover the relics of the stampede to the Klondike goldfields, and find out more about the drama of the 1898 Klondike Gold Rush.
